

TCX INVESTMENT MANAGEMENT

As manager of The Currency Exchange Fund (TCX or the Fund)

Please note that this position is only open to candidates currently residing in The Netherlands or EU citizens who have a valid Dutch work permit.

- Job title:** ICT Specialist, 3 to 5 days per week, Associate level
- Reporting line:** Head of ICT
- Background:** TCX is an impact-focused fund working in the space of development finance. TCX's mission is to protect borrowers in developing countries by taking on currency risk that comes with hard currency financing. The Fund offers financial instruments to hedge currency risk exposure (cross-currency swaps and forwards) when there are no or insufficient commercial alternatives available. Since its inception in 2007, TCX has de-risked over USD 15 billion in development lending.
- The Fund is going through an exciting expansion phase as the demand for currency risk protection is growing, the investor base is broadening, and innovative activities are developed. The Fund is managed by a relatively small, motivated and international team based in Amsterdam, The Netherlands.
- Primary responsibilities:** The ICT Specialist supports the Head of ICT in performing a wide range of activities, including:
- End-point, network, and application management, including security and performance monitoring of all systems and devices;
 - Supplier, license, and certificate management;
 - User management, including assignment and control of user rights
 - First-line and second-line user support and training;
 - Penetration testing, back-up and restore testing, and business continuity planning;
 - ICT incident and crisis management;
 - ICT project and change management
 - Elaboration and implementation of ICT policies and procedures;
 - ICT risk assessments and reporting in an ERM/DORA context.

QUALIFICATIONS

Background and experience:

2-4 years of experience in a comparable position, preferably in a regulated financial services environment.

HBO/bachelor's degree (student or graduated) in computer science, Information Technology, Information Systems, or a related field.

Optional: relevant certifications (Microsoft 365, Azure, project management, information security, data management, storage, etc.)

Competencies:

The ideal candidate possesses most, if not all, of the following competencies:

- Good grasp of endpoint, network, and security management and ICT operations best-practices
- Hands-on, pro-active, result-oriented, and accountable personality who sets and meets deadlines and can multi-task flexibly and patiently.
- Detail-oriented but able to step back to anticipate needs and problems and formulate pragmatic solutions and plans that address the issues.
- Curious, willing to learn, and motivated to develop a career in a growing enterprise.
- Excellent communication and social skills; customer-focused team-player who is comfortable developing relationships at all levels.
- Affinity with TCX's mission.
- A proven interest and experience in development impact and alignment with TCX's core principles.

Languages:

Fluent in English is a must (day-to-day language). Fluent in Dutch is a plus.

About TCX

Name:

TCX Investment Management Company B.V. (TIM)

www.tcxfund.com

Description:

TIM is the exclusive investment manager of The Currency Exchange Fund N.V.

TCX is a development finance initiative focusing on the provision of long-term currency risk solutions for emerging and frontier markets. TCX offers hedging instruments to development finance institutions, multilateral development banks and other international investors that provide long-term financing to borrowers in developing countries. TCX was established in 2007 and currently runs a global swaps portfolio of over USD 7 billion (gross notional value), with the ambition to grow significantly over the next 5 years.

TCX operates a sustainable double bottom line, contributing to development impact whilst generating a modest positive return. The Fund has a capital base of around USD 1.5 billion provided by 20+ development finance institutions, microfinance investors and governments. These include IFC, EIB, EBRD, KfW and FMO as well as the governments of the Netherlands, Germany, Switzerland, France and the UK. TCX is also supported by the European Commission.

TIM currently has about 40 employees, including a 4-person Executive Committee (CEO, CIO, COO, CRO). The culture is informal, collaborative, and highly diverse. The team adheres to and is driven by five organizational values: collaboration, respect, drive, care and trust.

We offer a competitive package and a diverse, supportive work environment.
